

We have someone really exciting coming to our Annual Nodrog Picnic in Port Sanilac this year. Announcing Sheila Trecartin, an amazing Animal Communicator, from Canada, who will do Animal Readings during our Fun Day Picnic. And for those who might be interested, she has a class that shows you how to communicate with your pet.

Sheila will arrive on Friday evening to get rested up before starting the readings. I don't have a definite schedule put together yet, as I need to know who might be interested in not only the readings, but the 4 hour class instruction on how to learn to communicate with your pets.

**Four Hour Communication Class**

Cost will be \$150 per person for the four hour class. Depending on where we set Sheila up to do the class and readings, the dogs can not be in the area unless they are quiet.

**20 Minute Readings**

Sheila will be available to do 20 minute readings at a cost of \$60 and she will be able to do about 12 - 15 dogs.

For those of you who are skeptics, come and watch. You will be amazed! Sheila had talked to Taylor when he was quite young and she told me some things that amazingly were so right that it was scary! You can check out her web site at: <http://www.sheilatrecartin.com>

Sheila can also do readings on a deceased dog. For her to do that, you must bring a picture of the pet that was taken in the last six months. The pet must be alone in the photo and be facing the camera. No dogs allowed at this session because we can't have interruptions!

For more information, please email me at [gpfranklin@mail.tds.net](mailto:gpfranklin@mail.tds.net) or call me at 989-871-9519 (home). Please send me your checks made out to NGSCM, Inc. as soon as possible and write seminar or reading on the check. Also let me know if you are interested in the four hour class, the reading, or both. Send your check to: Pat Franklin, 2395 Swaffer Rd., Millington, MI 48746

Please be advised, that if there is not enough interest, we may have to cancel this event. I will need to know as soon as possible if you will be interested in having your dog read at the picnic. So, if you've wondered what may be going on with your pet, this would be an excellent opportunity to find out. She is amazing!

Get your reservation in no later than June 30th.
